Re: Job Vacancies at for Retail EZ Private Limited

Dear Madam,

We require your assistance to share this job information with your students and help us reach out to the interested applicants for the following hiring/s:

- 1) CA Fresher (Opening -1)
- 2) CA Industrial Trainee (Opening – 2)

Interested applicants, kindly email your updated resume to careers@retailez.co.in

Responsibilities:

- Provide financial insights and projections to be used in decision-making and planning.
- Partner directly with the finance and commercial teams to collaborate on metrics, goals, and business reviews.
- Dive deeply into financial data and become a subject matter expert to provide additional insights.
- Identify and research variances to aid in forecasting & budgeting, proactively identifying opportunities for improvement.
- Perform ad-hoc data analysis tasks as directed by supervisor(s).
- Create presentations that provide insightful analysis, identify required action items, and effectively frame decisions to be made.

Skills:

- General knowledge of accounting/financial/operational principles
- Should be well-versed in using the big data and maximize process automation for data analysis accordingly.
- Experience developing financial reports and metrics
- Interpersonal and communication skills with the ability to interact with various management levels
- Ability to manage multiple tasks and adapt to a changing, fast-paced environment
- Strong Excel, Word, and PowerPoint skills

Qualifications:

- **For CA Fresher:**
 - Cleared both groups of CA Finals
 - 3+ years of Articleship/Industrial Training experience with a reputed firm/company (Big 4 preferred)
- **For Industrial Trainee:**
 - Cleared Intermediate level CA (both groups) with CA Finals due in November 2025 or later and eligible for Industrial Training
 - 2+ years of Articleship experience with a reputed firm (Big 4 preferred)
